

## OCSA Men's Soccer - Player Record Book for the Years of 1949-80

Data compiled by Fred Jermyn

Last Updated on 10/9/19

Records as reported in OCSA Newsletters published from 1956-80 and as listed on school websites of over 40 schools that fielded teams during the 1949-80 period. Member schools included both Varsity and Club status teams. Four-year schools occasionally had games versus J.V. teams and Jr. College teams which were recognized as official competitions. Figures were cross-checked between sources to insure accuracy. Any errors or omissions would be due to unsubstantiated data, data not located or data no longer available.

Data for additions or corrections should be submitted to the OCSA c/o Bud Lewis of Wilmington College via his e-mail address: [bud\\_lewis@wilmington.edu](mailto:bud_lewis@wilmington.edu).

\*= Lee Schreiner of Urbana is reported on the Urbana website to have had 16 goals in one season and four-year career totals of 53 goals, 33 assists for 86 points between 1971-74. OCSA Newsletters of game re-caps and season totals do not support the Urbana website reported totals. The website totals for Lee more closely resemble the team totals over those four years.
