

OCSA Newsletters – History and Editors

OCSA Newsletters commenced in 1956 and published until approximately 1982. The All-Ohio teams were published in many of these newsletters as well as Player Scoring Leaders and Goalkeeping Leaders Lists. Archived copies of the entire set could not be located. Copies of the 1961-63 issues are held by Ken MacDonald of Akron while the 1964-78 years were uncovered from personal files of Mickey Cochrane of Bowling Green. Copies of the 1979-80 years were located in the Kent Library Archives.
